PARTNERSHIP KIT

2021

Danni Pomplun is a San Francisco Based E-RYT 500 Vinyasa Yoga Teacher whose style has been described as functional, down-to-earth and fun with an edge. Each offering will connect to power and flow, infused with light hearted spirituality where you'll find the inspiration to connect with your higher self.

Danni has an inspirational story of using yoga to overcome obstacles, including drugs, alcohol, and a near-death brush with cancer. Danni credits yoga with helping him to become healthy and opening his eyes to a world of positive opportunities. Today he is among one of the most popular teachers in San Francisco. His relatability, resolve, and charisma have attracted a large online following with 34,500 followers on Instagram alone.
